President's Message—Tom Nampel

Happy Fall! Before you know it, we will be tuning up the sleds and getting the trails ready for the BIG SNOW! I just wanted to make sure that everyone is aware that the date for the first Membership Meeting is September 12th at the 19th Hole Bar and Grill. Please get your menu choice to Kay Schultz (715-542-3912) no later than September 4th.

Also a reminder that the 21st Annual Pig Roast will be August 26th at Sportsmen's Chalet beginning at 2:00 pm with dinner served at 5:00 pm. August 27th is the "Drive with the Groomer Drivers" Golf Scramble at St. Germain Golf Club. Get your foursome together and turn in your registration form as soon as possible to join in the fun. Hole sponsors are also needed.

Last, but certainly not least, is the induction of Don Schulpus into the International Snowmobile Hall of Fame on September 23 at Eagle Waters Resort. Don was one of the founders of the Bo-Boen Club and the very first president. Let's go to the ceremony and support our very own.

Don Schulpus—Volunteer International Snowmobile Hall Of Fame Inductee

Starting in 1965 Don's long snowmobiling career has followed many trails. But foremost has been his desire and dedication to promoting the sport through aggressive trail development and grooming programs. He is a true visionary who immediately realized the promise that snowmobiling has as a recreational sport and industry. By 1969, he helped found the Bo-Boen Snowmobile Club in St. Germain Wisconsin and served as its first president. Today it is the largest club in the state with 993 members.

Recognizing the need for groomed trails, Don formed Arrowhead Groomers, designing and building the first true trail groomer and introducing Tucker Sno-Cats to the sport. Trail development, grooming knowledge and its technology soon made him the forerunner of high tech grooming. He designed the club's first snowmobile trail map and continued to make improvements in the grooming operations throughout the Midwest. Don became a long time Director in the state association and, in 1981, was named US Snowmobiler of the Year. He was an original member of Team Oasis and later the Ambassadors of Snowmobiling that traveled North America's snowbelt for many years promoting the sport. Known also as "Mr. Snowmobiling," Don Schulpus is one of the passionate and hard working snowmobilers to be found. For this, and for his many years of service to the sport, Don Schulpus is now being inducted into the International Snowmobile Hall of Fame.
