

St. Germain Bo-Boen Snowmobile Club

Celebrating 50 years of Snowmobiling!

Presidents Report—Tom Nampel

Summer is over and now it's time to think snowmobiling. It's time to renew your memberships and order your trail passes.

Again August was a busy month for fundraisers. There was the Bacon Dash that we sponsored with the Chamber. We had the 22nd Annual Pig Roast at the Sportsmen's Chalet and the 5th annual Drive With The Groomer Drivers Golf Scramble at the Trout Lake Golf Club. I would like to thank all of the volunteers, sponsors and the people that attended these events.

We can always use volunteers, they are what makes this club a great one. Please sign up for future events. October 20th is our brushing day please plan on being there.

We are looking forward to another great season.

Tom

MEMBERSHIP CORNER

Membership renewal forms were mailed out in mid August and as of this writing we have a little over 525 renewed and new members. If you haven't yet, please return your form with any corrections or additions at your earliest convenience. You may also renew online by credit card at our secure site <http://www.boboen.com/Membership.html>

Thank you to the many that were able to donate over and above the dues, it is greatly appreciated.

Reminder that our membership period runs the same for everyone from October 1 through September 30. Those renewed members, we will renew your AWSC membership as a group at one time in early October. This streamlines the process and helps with the record keeping. New members with the club will also get there AWSC membership at that time. This will still give you plenty of time to order your discounted trail passes for the season once you get your AWSC number.

Please let me know of any questions or concerns.

Snowmobile Safety Instructors Needed

This year's snowmobile safety class will be held December 27 & 28. We always have a great group of students (50 - 75 of them) who are eager to learn and of course receive their certificate. Some of our instructors will not be returning for various reasons so I am asking for some new instructors to become certified by the DNR. This can be accomplished in a couple different ways. If you have an interest or know someone who might be interested in this very rewarding role please contact me,

Peggy Ausloos at 715-892-6467

or peggy2090@gmail.com.

Snowmobile Safety Education Class

December 27 & 28

Beginning January 1, 2001, any person born on or after January 1, 1985 and who has reached the age of 12, must have completed and received a snowmobile safety certificate in order to operate a snowmobile in Wisconsin. The certificate must be carried while operating the snowmobile, and displayed to a law enforcement officer upon demand. Snowmobile Safety Education Classes are offered in the fall and early winter, and should start appearing on the DNR's web site within the next month or so. All students are required to obtain a Wisconsin DNR Customer ID# as part of the criteria to graduate from any Recreational Safety Class and provide that number to their instructor. Students can obtain a DNR Customer ID# from St. Germain Sport Marine during business hours or by calling 1-888-936-7463 between 7 am to 10 pm. You can also visit a Wisconsin DNR Service Center during their regular scheduled hours. For additional DNR Service Center hours and locations go to www.dnr.wi.gov and click on the "Contact US" tab located at the top.

The Bo-Boen Snowmobile Club's Snowmobile Safety Education Class will be held on Thursday & Friday, December 27 & 28, 2018. Anyone 11-1/2 years of age or older is eligible to take the class and receive a safety education certificate; however, the certificate does not become valid until the child reaches 12 years of age. Pre-registration is required by calling Peggy Ausloos at (715) 542-3548.

Secretary's Report

Welcome back! Hard to believe that another snowmobiling season is fast approaching. Club renewals are due back by October 15th, trail pass order forms can be found at the AWSC website or in the last issue of their magazine, and we have had our first membership dinner of the year.

Speaking of which, a big shout out to Sue and her staff at Pub 'N Prime for hosting our kickoff dinner that was attended by 65 members.

So get ready for the Bo-Boen's 50th anniversary season. Hope to see all of you here this winter!

Kay Schultz

5 Bar Challenge

Last season, the 5 bar challenge included Shamrock & Smiley's in Lake Tomahawk, Slo's in Arbor Vitae, Sayner Pub in Sayner and Twilight in St. Germain. Recently, Sue Slominski, chairperson of this event, presented the club with a check for \$940. This year the challenge will be sponsored by the same bars except that Twilight will be replaced by Sister's Saloon in St. Germain.

This can't happen....

**Until this happens.

Trail Boss—Jim Wendt

The days keep marching on. I am sure tired of the 80's and high humidity. We have begun our trail brushing with our arm mower for the high limbs to eliminate groomers being hit by heavy snow laden branches. We will follow with our brush mower for the lower 5 feet of undergrowth to give us a clear path for our groomers.

Please keep in mind the 3rd Saturday in October is our club brushing day. A fun day out on the trails to work with others club members clearing brush, signage, and doing final cleanup before the start of the season. A social hour usually follows the work as a reward for a job well done.

Be sure to get your membership forms in and let's see if each member can get one NEW member to join the number one club in the state. Remember, you can't get a new member if you don't ask.

We are getting ready, are you?

HAPPY TRAILS,
JIM

Sunshine Report

Please keep our Sunshine Lady in your prayers. Arlene suffered a stroke earlier this month and is on the mend. While she is recuperating, Ozzie Ausloos will be our new sunshine lady... whoops gentleman.

Please call Ozzie Ausloos at (920) 420-4520 when you have information on births, of members who are ill or hospitalized and need a bit of cheer, sympathy or encouragement.
